Dear Mr. Turley:

Thank you very much for your letter dated July 29, 1999, File No. MUR 4911, your quick response to my letter in regards to possible violation of the Federal Election Campaign Act of 1971.

Another concern that I have especially with Mrs Hillery. R. Clinton possibly using illegally federal funds to promote her ludicrous claim of "Listening" while we all know it is nothing but a charade.

I am concerned with the print and TV media giving her all kinds of free publicity while at the same time giving little or no free publicity to Mr. Rudy Guiliani and Mr. Lazio. I strongly believe that all three have or should have equal access to these media outlets. It is time to as they like to say, level the playing field. If you want this letter to be notarized, please let me know and I will resend it notarized. Again, when Mr Clinton or Mr Gore are on the campaign fundraisin trail, when do they ever work, equal time especially on the TV media should be given to all candidates, one way to level the playing field would be to reduce the amount of matching campaign funds they get when they use federal resources to further their ambitions.

Again, thank you, and I hope you can do somethin to stop the use of my tax mney, not only on the Democrate but as well as the Republican side and put an end to this corruption once and for all if Congress will not have the courage to do it.

Sincerely,

Samuel Vardanian
